The Community School of Music and Arts (CSMA) is a non-profit center for arts education serving the community since 1968 through: music lessons, music and art classes, camps; in-school arts programs; free concerts and art exhibitions, outreach events and a financial aid program to ensure that the arts are accessible to all.

Your child's CSMA Music Program would not be possible without your support of MVEF. **Donate at: mvef.org**
